**KGM Leasing - Commission Disclosure Consent Form**

Dear Customer,

Your KGM dealer commonly introduces customers to a selected panel of lenders, and they have assisted in setting up this leasing agreement. Their introduction of you to us does not amount to independent financial advice and they are not impartial.

We pay commissions to both your KGM dealer and KGM the vehicle manufacturer for introducing you to us (as set out below). These may include a Fixed Fee Commission (a fixed £ amount) and a Fixed Percentage Commission (calculated by reference to the amount you borrow from us).

Any such commissions affect the amounts you pay to us under finance agreement.

- Dealer Fixed Fee Commission: **£250**
- Dealer Fixed Percentage Commission: **£0**
- KGM Fixed Fee Commission: **£300**

*I have reviewed this **Commission Disclosure Consent Form** and I consent to the payment of commission to the dealer / vehicle manufacturer.*
