Go anywhere, do anything, shift everything

This is it. The new Korando. It's sorted. It's tried. It's tested and it's here. It's city-practical and all-road rugged. It's crammed with features, over-flowing with refinement and strong on safety. It's road-ready and ready for anything.

Raw good looks, rugged personality

Sharp, stylish and slick. The new look Korando is unmistakably SsangYong but distinctively different. Korando has looks which get tongues wagging. And a price which gets them hanging out. With smooth handling and cutting edge technology, this is a vehicle with versatility as standard.

Street smart style

Korando styling sets the bar higher than ever for SsangYong. Built for the steep mountain passes of Korea, it sits perfectly on the highways and byways of Britain. Those muscular good looks combine with intelligent design to create a distinctive exterior style.

LED headlamps*

For those who want to see and be seen. These sparkling high power LED headlights will turn heads and light your way on the darkest nights.

Multi function door mirrors

Typically found only on luxury vehicles, the multi-function door mirrors can fold in when you step out. Downward facing puddle lights let you see what you're stepping into.

LED fog lights⁺

Attractive, integrated high power LED lights are triple stacked to reinforce the high-tech forward-looking presentation.

Back to the future

Korando has been in production for 37 years. Now, in its 4th generation, its distinctive SsangYong heritage has been brought bang up to date. Seen from behind, its purposeful stance is unquestionably the sign of an SUV, yet its distinctive features are those of a refined saloon.

LED rear combination lights

Crisp sparkling LEDs add refinement to the combination rear light cluster. So whether you're slowing down for vehicles in front, or simply making a left or right turn, other road users stay in sync with what you're doing.

Rear spoiler

A distinctive design touch that gives the rear of the Korando a sporty, athletic look whilst improving aerodynamic performance.

Smart tailgate*

Useful when you've got your hands full. The smart tailgate offers easy loading and unloading. Approach the rear with the key fob and the tailgate automatically opens allowing you to access the loadspace hands free.

*Ultimate automatic only

The inside story

There's a Korean phrase, '**Noon-Chi**' which has no direct translation. It means being in touch with the feelings of others and in harmony with your environment. The Korando has **Noon-Chi**. In spades. The interior is the widest in its class and wraps itself ergonomically around you. You feel safe, secure, and comforted.

Big on comfort

Settle into the driving seat, hear the reassuring clunk of a well-engineered, close-fitting door and get ready for the ride. The interior is safe, spacious and confident, the driving position is lofty and commanding. You're in control.

Dual zone air-con*

Everyone is individual. You may want to turn the heat up, whilst your passenger stays cool. Dual zone. Joint decision. Perfect harmony.

Heated steering wheel*

When it's cold outside, there's nothing more warming than the comfortable touch of a heated steering wheel.

Places for bits & bobs

A smart phone here. A drinks bottle there. Even a sneaky Twix down the side. Korando is cleverly designed to stay clutter free, even on the longest drives. A home for everything and everything has a home.

Large glovebox

The high capacity, multi-functional glove-box swallows up a 10.5" iPad.

Door pocket

Huge front door pockets take a couple of water bottles to keep you refreshed.

Glasses storage

Reach for your sunglasses when the sun starts to shine.

Adjustable armrest storage

There is a sliding armrest on top of the large central storage bin which moves forward to provide useful elbow support.

Finishing touches

Hands free audio

Control is at your finger tips. Effortlessly set the volume or station via the wheel.

Control your speed

Switch into or out of cruise control with the touch of a steering wheel button.

Push button start

Korando is ready to go. A deft touch of the power start button and the response is immediate*.

Smart key system

Once the key fob is detected, open the car via a button on the door handle and start the car via a push button*.

Electric Parking Brake with Auto Hold†

Apply the parking brake via a button. The auto hold maintains brake pressure even when pressure is released from the brake pedal – on depressing the accelerator the brake is automatically released.

Rear view camera†

It's always better to clearly see what's behind when reversing – a full colour camera is a great way to access the smallest of spaces.

1.6 Diesel

Exceptionally durable and fuel efficient, the 1.6 diesel is the perfect choice when the top priorities peak torque performance and fuel economy.

Drive mode system (Auto only)

Driver selectable drive modes (NORMAL / SPORT / WINTER) for safe driving and a customizable driving experience. Normal mode balances the need for economy and power. Sport delivers extra power and Winter starts the car in 2nd gear to prevent slippage when icy.

New Aisin 6-speed automatic transmission

Fitted on some of the finest cars in the world, the tested and proven AISIN 6-speed automatic offers smooth and quiet gear shifting with maximum fuel efficiency.

6-speed manual transmission

The 6-speed manual gearbox delivers a fun driving experience with maximum driver engagement. Optimized gear ratios ensure smooth, and precise gear shifts, improved fuel efficiency and a quieter ride.

Idle Stop & Go

ISG temporarily stops the engine when the vehicle comes to a stop. It's the smart and efficient way to increase fuel economy and reduce exhaust emissions.

Protecting you & your loved ones

This is the safest and strongest Korando ever. Safety is built in – from the body up, with a best in class body structure composed of 74% high tensile strength steel. We've also fitted 7 air bags in case you run into trouble - or trouble runs into you.

High Tensile-Strength Steel

At SsangYong, safety begins with the production of the body structure. For higher rigidity and safety, the body is built with advanced high tensile strength steel.

6 airbags

The All-New Korando builds upon its safety focus, boasting 6 airbags for passenger safety. It's not surprising that it's been awarded a 5-star EuroNCAP safety rating, delivering on a promise of safety as standard... not as an option.

Safety first & foremost

Safety is our prime concern. For you, for your loved ones, and for others on the road. Our continuously growing toolkit of advanced driving safety measures includes Autonomous Emergency Braking System, Lane-Keeping Assist and Lane Departure Warning System, along with driver aids such as High Beam Assist and Driver Attention Alert.

Front Collision Warning

Alerts the driver when another vehicle or pedestrian appears in the path of the vehicle.

Lane Departure Warning System

Notifies the driver when the forward camera module detects an unintended lane departure by the vehicle.

Front Vehicle Start Alert

Alerts the driver when the preceding vehicle begins to depart.

Autonomous Emergency Braking System

When a frontal collision is anticipated, this function automatically applies the brakes to prevent a collision.

Lane Keeping Assist

Front camera helps prevent unintended lane departure by making a corrective steering adjustment.

Driver Attention Alert

Automatically alerts the driver when time at the wheel has exceeded safe limits.

Customer service

We care passionately about delivering outstanding customer service. Attention to detail is important, so any question you ask, we'll do our very best to answer it.

SsangYong assistance

All SsangYong new vehicles come with 12 months Roadside Assistance, providing you with the best level of customer care both in the UK and on Mainland Europe.

5-year warranty

It's reassuring to know that the Korando range comes with a 5-year / 100,000 mile warranty. It's a Korean thing. When we promise something, we stick to it. If something goes wrong and it's definitely our fault, we fix it. Our customers like it, and they tell other people about it. So everybody's happy.

3-Year Service Plans

We've got your Korando covered from £19.99* per month

A SsangYong service plan will help maintain the 5-year warranty, prolong vehicle life, sustain vehicle performance and aid trouble-free motoring - giving peace of mind at a manageable monthly cost.

A SsangYong service plan covers new vehicles from registration and covers the following:

- ✓ The vehicle's first 3 scheduled services
- ✓ The vehicle's first M.O.T
- ✓ 2 Years extended RAC roadside recovery

*Service plans run for 34 months on Korando. Petrol powertrain service intervals: 12 months or 10,000 miles - priced at £19.99 per month. Diesel powertrain service intervals: 12 months or 12,500 miles - priced at £23.99 per month.

More than 65 years of 'Korean Can Do'

Imagine how good you'd be at something if you'd done it every day for 65 years or more. That's how long SsangYong has been making motor vehicles in various guises. We've been crafting the Korando since 1983. Durability and outstanding performance have always been at the very heart of what we do. That's why we're good at it.

1954 Ha Dong-Hwan Motor workshop

SsangYong was initially established as Ha Dong-Hwan Motor workshop, specialising in trucks, buses and special purpose vehicles.

1984 Korean Can Do

In 1984 SsangYong took over Geohwa Co and created the name Korando, a contraction of the motto "Korean Can Do".

2011 Korando 3

Korando gains a touch of Italian style. The Giugiaro-designed Korando 3 is SsangYong's first monocoque and uses a new 2.0L home developed diesel engine and 2 tonne towing limit to become a caravanners favourite.

1974 Co-founded Shinjin Jeep

Co-founded Shinjin Jeep and developed both hard and soft top Jeep-type vehicles.

1996 Korando 2

The distinctive Korando 4x4 was launched - and features a combination of family transport, towing and off-road ability unique in its day - the first Korean SUV.

2019 All-new Korando

The product plan comes full circle with a fully modern version of the towing favourite, the Korando SUV.
